

4.2.18

Dear Tommy,

I was fascinated to hear of your plan to undertake a cycling and painting pilgrimage from Cookham to the Cathedral of Santiago de Compostela.

You have my warm wishes and encouragement for the tough journey ahead. Travelling in excess of 2,000km across three countries is by no means an easy feat and will undoubtedly demonstrate your strength and resolve.

Once again I wish you the best of luck on your challenging journey

Best wishes,
